Description

Pre-conditions:

Go to the website https://exe.ua/ua/
"Ukr" localization selected

STR:

1. Select a product category
2. Filter the product
3. Click the "Show" button

Actual result:

After clicking "Show," the "Reset Filters" button appears in Russian, even with "Ukr" localization.

Expected result:

The "Reset Filters" button should display in Ukrainian when "Show" is clicked.

[SCRUM-7] "Reset filters" button does not work in "Computers" -> "Laptops" section when products are filtered by manufacturer Created: 25/лип./24 Updated: 26/лип./24 Resolved: 25/лип./24

Sprint:	SCRUM Sprint 1
Change risk:	Medium

Impact:	Moderate / Limited

Description

Pre-conditions:

Go to the website https://exe.ua/ua/

STR:

1. Select "Computers" → "Laptops"
2. Filter products by manufacturer
3. Click the "Show" button
4. After loading filter results, click "Reset Filters"

Actual result:

After clicking "Reset Filters," the filter results remain.

Expected result:

After clicking "Reset Filters," the filter results should be canceled, returning the user to the main category page.

Comments

Comment by Ivanna[25/лип./24]

The same situation occurs in the categories "Laptop Bags", "Docking Stations" and "Other for Laptops." In the "Laptop Stands" category filtering is not canceled by either manufacturer or type.
